# I am Usaki, his little star

by [MiaQc](#)

## Summary

This fanfic can fit both the anime and the live action series.  
My name is Usaki Tsukino and I'm having a romantic evening  
with my handsome Mamoru.  
(Usaki is Usagi's male version. All characters are 18 years old.)

- A translation of [Je suis Usaki, sa petite étoile](#) by [MiaQc](#)

My name is Usaki Tsukino. I'm 18 years old and I'm in heaven. Right now, I'm snuggled up with my lover, the gorgeous Mamoru Chiba. We watch a movie together. Mamoru wanted to see *The Song Of Destruction*, a horror film featuring a little girl possessed by a demon whose song can destroy the world. Since I'm too chicken, he agreed to listen to *Day of The Plague* instead. *Day of The Plague* is an action movie about a strange "living disease," a band of heroes who try to eradicate it and zombies.

"Wow!" I said, after seeing a car explode in the movie. "It looks so real."

"You think so?" My lover asks. "But the blood is so fake."

"You're no fun!" I reply, as I pull away from him to get some popcorn.

"Sorry." He says while wrapping his arms around me. "I don't want to spoil your fun."

"Oh, nothing is spoiled." I say as I kiss him. "The best part is after the movie."

I eat the popcorn in my hand. Mamoru smiles at me. I think he is also looking forward to the next part.

When Day of The Plague is over, my darling turns off his television and goes to his room. I join him and he is already naked and in bed.

"Come join me, my little star."

I smile. I never knew where Mamoru got that nickname for me, though I always blush when he calls me that. A little star? Why not a little moon? After all, I am the reincarnation of the Moon Royalty.

"Oh, Mamo..."

I undress and lie down next to him. Mamoru makes love to me. His hands caress my chest, his lips kiss my neck and mouth. I give him a kiss in turn and my hand goes to rub his dick. He moans.

"Usaki, my Usaki... my little star."

My handsome Mamoru places his lips on my cock's head. I didn't have time to make a sound as he performs a blowjob. I moan loudly and my hand stimulates his dick more and more. As I feel him harden, my lover pulls out of my sex, even before I cum.

"Mamo! Why did you do that?"

"I want to take my time. Not you?"

"Nope, not me."

I use my other hand and my divine Mamoru's penis ejaculates. He pushes an orgasm.

"Ohhhh~ in that case..."

The man of my life, my other half, offers me a rain of kisses and then asks me to change position. I do this and, while his hands play with my cock, he gently enters his penis into my ass hole. Mamoru penetrates me several times, until he ejaculates inside me. His hands make me cum too and then we embrace. Mamoru whispers soft words in my ear until I fall asleep. On his window with drawn curtains, the stars twinkle in the night sky. We will be together for eternity.
